

# MPS SUMMIT

Welcoming back our eager learners with open arms and bright smiles was heartwarming! It was truly uplifting to witness the excitement radiating from every corner as children reunited with friends and teachers, all ready to embark on new adventures in knowledge and growth.

**B**reak the fast of apathy with the feast of affection" Ramadan special assembly embracing unity and reflection. In the spirit of inclusivity and cultural appreciation, Muthamil Public School was proud to host a special Ramadan assembly on 08-04-2024. This gathering aimed to foster understanding, unity, and respect among students and staff members highlighting the significance of Ramadan. The assembly began with a warm welcome from Uthra of Grade VIII acknowledging the importance of cultural diversity within the school community. A solemn recitation of verses from the Qur'an was led by Master Sahid who is proficient in Arabic and translated by Master Mohammad who set the tone for reflection and spiritual contemplation. A thought provoking drama was staged highlighting the theme "Gratitude". Our Chief Guest Professor Tamim, esteemed scholar delivered an enlightening address emphasizing the universal principles of kindness, generosity, and self discipline embodied in Ramadan. His words inspired students to embrace diversity and extend empathy towards one another. Our principal, Mrs Mary Rani, delivered a poignant message and encouraged students to uphold tolerance and mutual respect year round. The Ramadan special assembly concluded with a collective prayer for peace and harmony.

Happy  
Ramadan  
Kareem

"Education is not the filling of a pail, but the lighting of a fire."

**M**uthamil Public School held its much-anticipated Kindergarten Graduation Day, a momentous occasion marking the successful completion of kindergarten and the exciting transition to Grade 1. The event was filled with joy, pride, and heartfelt celebrations as students, parents, teachers, and esteemed guests came together to honor the accomplishments of the young graduates. The graduation ceremony commenced with a prayer song, thanking the Lord Almighty for all his wonderful blessings throughout the Academic year. The highlight of the event was the presence of Dr. Premachandran, Selvan Hospital, Melapalayam, a distinguished figure in the community, who graced the occasion as the Chief Guest. His inspiring words of encouragement and wisdom resonated with the audience, inspiring both students and parents alike to strive for excellence in their future endeavors. Mrs. Regita, the dedicated coordinator of the kindergarten program, took the stage to present the annual report. Her heartfelt recounting of the students' achievements, progress, and memorable moments throughout the academic year filled the room with a sense of pride and nostalgia. Adding a touch of creativity and entertainment to the proceedings, the students delighted the audience with a captivating Cinderella skit. Through their endearing performance, the young talents showcased their confidence, creativity, and teamwork, leaving a lasting impression on everyone present. As the ceremony drew to a close, there was an overwhelming sense of pride and accomplishment in the air. Each graduate received their diploma with beaming smiles and a sense of anticipation for the journey ahead.

# குரோதி தமிழ் புத்தாண்டு

முத்தமிழ் பப்ளிக் பள்ளியில் 13.4.24 அன்று குமிழ் புத்தாண்டு சிறப்பாக கொண்டாடப்பட்டது. இதில் 3 முதல் 12 ம் வகுப்புவரை உள்ள மாணவர்கள் கலந்து கொண்டனர். இதில் மாணவர்களின் சிறப்பு நிகழ்ச்சியாக பட்டிமன்றம், நாடகம், நடனம் போன்ற நிகழ்ச்சிகள் சிறப்பாக நிகழ்த்தப்பட்டது. மாணவர்கள் இவ் விழாவில் மிகச் சிறப்பாக பங்கேற்றனர்

Muthamil Public School joyously celebrated the Vibrant festival of Tamil New Year, known as "KUROTHI" in a grand manner befitting our rich cultural heritage. With a plethora of activities and performances, we embraced the dawn of the new year with enthusiasm and reverence. Students from Grades III -XII participated in this event. Students showcased their talent by performing Debate, skit, and Dance which enchanted and revealed how beautiful our Tamil culture is. Our correspondent mam, Ms. Jayanthi Babu and Principal mam, Mrs Mary Rani addressed the gathering and also shared many facts about our Tamil culture.

This event reminded us of the importance of preserving and perpetuating our cultural legacy. These festivities not only fostered a sense of unity and pride among students but also served as a testament to the enduring vibrancy of Tamil culture in an ever-evolving world.

## Earth Day Celebrations

On the occasion of Earth Day, students and faculty at MPS came together to celebrate and reaffirm their commitment to environmental conservation and sustainability. The day was marked by a series of engaging and enlightening activities aimed at raising awareness and inspiring action. A special assembly kicked off with a warm welcome from the Head boy Master Vignesh, setting the tone for the day's events. A renowned manager, and our Chief Guest Mr. Maharaja, Environmental Foundation of India delivered a stirring speech emphasizing the importance of preserving the quality of water bodies and keeping it pollution free. A documentary was screened showcasing the condition of our perennial river, Thambirabarani now and then. He motivated the students to take positive steps towards a greener future. The day's program also included a captivating mime performance that vividly depicted the urgency of environmental protection and the need for sustainable practices. The highlight of the event was the "Earth Day pledge" led by the Principal, Mrs. Mary Rani, where students solemnly vowed to adopt Eco Friendly habits and contribute to environmental preservation efforts. The collective recitation of the pledge symbolized the school communities unwavering dedication to making a difference. Earth day celebrations at MPS served as a reminder of the power of collective action and role that each individual can play in creating a sustainable future.

*MPS is delighted to collaborate this upcoming academic year with EFI and work towards the restoration and preservation of all our ponds and rivers in and around Tirunelveli.*

# Shakespeare's Day

*"Well Done is better than well said"*

Celebrating Shakespeare's Day: A Day of theatrical splendor. Muthamil Public School embarked on a journey to honor the immortal Bard, William Shakespeare on 25-04-2024 through the Shakespeare's Day celebration. It was a tribute to the Bard through a Tapestry of performances – such as, enactment of scenes from famous plays, monologue presentations and PPT highlighting the enduring legacy and profound influence of Shakespeare on literature and theatre. Our students from grades III-XII transported audiences to the world of Shakespearean Drama with their stirring performances. Through their talent and dedication, they breathed life into iconic characters and captured the essence of Shakespeare's timeless tales. The Elizabethan costume parade was a visual feast showcasing the creativity and craftsmanship of our students and faculty. The haunting beauty of Shakespeare's characters decked the standees of display. It was indeed masterpieces evoking passion and precision.

The Chief Guest of the Day was Dr. Manova Raja Simoen who delved into the artistry and techniques of Shakespearean Theatre from sword play to soliloquys appreciating the craft behind the curtain. The memorable celebration came to a close with the spirit of Shakespeare's enduring legacy. Though the day may end, the echoes of Shakespeare's genius will continue to resonate within our hearts and minds, guiding us on our journey through the pages of history and the stages of life.

## National Credit Framework :

A shot in the arm for India's Skill Revolution

The National Education Policy 2020 has given great emphasis on the integration of general education and vocational education. In this regard, a High-Level Committee (HLC) constituted by the Government of India has formulated National Credit Framework (NCrF). NCrF is an enabling framework that lays down basic principles of creditization of learning

encompassing three main components viz. credits earned from academic grade, skill programme and relevant experience. To further test, refine, and assess their effectiveness in real-world contexts, a pilot implementation of these guidelines has been planned. In our School, we have registered students from Grade VI, IX & XI to participate in this pilot programme to enable increased mobility and flexibility in education.

Science is inexplicably linked with our lives and helps us to understand the world around us better. By engaging with this subject, students learn to think, solve problems and make informed decisions. As an initiative to generate curiosity, enquiry and higher order thinking amongst the learners. Students from Grade VIII to X actively participated in the online exam conducted by CBSE. Best two students from each section were short-listed and the names of the selected participants are uploaded in the portal.
