Day Video

Doctors' Day at MPS was a remarkable occasion filled with engaging activities and heartfelt tributes to honor the dedicated medical professionals who work tirelessly to keep us healthy and safe. Our celebration began with an inspiring Mime performance by the students portraying the daily life of the Doctor and the challenges they face. The silent yet powerful act highlighted the dedication, compassion and resilience that define the medical profession. Next, we enjoyed a captivating skit that depicted various scenarios Doctors encounter from emergency situations to routine checkup, adding a vibrant touch to the event, students performed a dance that celebrated the Joy and relief Doctors bring to patients. The Chief Guest of this special event, Dr. K Swaminathan professor head of pathology, Tirunelveli Medical college addressed the students on Health and Hygiene and motivated them to become the Budding Doctors of the future.

Doctor's Day Celebrations

Making a difference together

Doctor's Day Celebrations

One of the most memorable part of this special Doctors' Day was a visit to Muthamil Hospital, Tirunelveli where students had the opportunity to interact directly with Dr. Rajesh and his team. During this visit he handed over a bouquet and a thank you note to express our gratitude and admiration for their relentless service. To add a festive touch to the occasion we had a cake cutting ceremony by Dr. Rajesh. This gesture was a small token of appreciation for their immense contributions. The Day concluded with a questionnaire session where Students asked Dr. Rajesh various questions about the profession, experiences and advice for aspiring medical professionals. This interactive session was enlightening and provided valuable insights into the life and responsibilities of a doctor. MPS is grateful for the unwavering commitment of the heroes in white coat who have dedicated their lives in healing and saving others.

Good Habit

Our students had an enriching session focused on cultivating good habits. The activities were designed to be educational, engaging, and fun. We started with a lively dance to a warm-up song, getting everyone energized and ready to learn. Students talked about various good habits and performed a skit to illustrate their importance. Using popsicle sticks, we demonstrated the proper way to brush teeth, making it a fun and interactive learning experience. Our teacher showed the

correct technique for washing hands, which the students then practiced. They also learned why it's important to keep their nails trimmed and clean, practiced buttoning clothes correctly, and were shown how to sweep properly to emphasize cleanliness. We finished with a lesson on tying shoelaces, with everyone practicing to get it just right. It was a fantastic session where students not only learned but also had a great time. We're proud of their enthusiasm and participation in building these essential life skills!

Remembering K. Kamaraj: The Kingmaker of Indian Politics

Today, we honor the legacy of K. Kamaraj, a visionary leader whose contributions to education and social justice have left an indelible mark on India. Born on this day in 1903, Kamaraj dedicated his life to the upliftment of the underprivileged and the progress of our nation. His visionary initiatives, like the Midday Meal Scheme, transformed lives and built a brighter future for countless children.

Let's honor his legacy of simplicity, service, and dedication to social justice.

Kamarajar Birth Anniversary

Eco club members visited MB Goat farm. Our students witnessed around different sheds with around 250 goats in them. Mr.Badhusha along with their supporters explained clearly ,the various aspects coming under the farm. He demonstrated the preparation of Vermicomposting for commercial and domestic use. He shared environmentally safe techniques used in the feed they are providing, the intake capacity of baby goats and adults, the ill health and diseases affecting them and the medicines they are providing. All the students eagerly cleared their doubts with Mr.Badhusha. It was a good opportunity to the students to see and learn about goat farming , its management and utilizing all the products from the farm.

Exciting Visit to Goat Farm!

Visit to Krishnapuram

"Exploring Architectural Heritage: Literary Club's Enriching Visit to Krishnapuram Venkatachalapathy Temple" The Literary Club organized a visit to the Krishnapuram Venkatachalapathy Temple, showcasing the architectural and cultural heritage of the region. This visit provided students with a firsthand experience of Nayak architecture, renowned for its towering gopurams adorned with beautifully painted stucco statues depicting mythological figures and celestial beings.

The students marveled at the gopurams, which serve as grand gateways to the temple complex. These structures, reaching impressive heights, captivated the visitors with their intricate sculptures and vibrant colors. Inside the temple, the pillared mandaps stood as serene spaces adorned with intricately carved pillars.

Mr. "Muthalankurichi" Kamarasu, a writer who has extensively written about the Krishnapuram Temple, explained in detail to our students the history and significance of the temple and its sculptures. His insights greatly enriched the experience for everyone.

This visit enriched students' understanding of Nayak architecture and its cultural context, aligning with the Club's goal of fostering cultural appreciation and language enrichment. Students gained valuable insights into the historical significance of the temple and its enduring relevance in contemporary times. Thank you, Mr. Kamarasu, @muthalankurichikamarasu or your valuable guidance!

Visit to Oil Extraction & Brinjal Farms!

Our students recently embarked on an educational tour that was both enlightening and enjoyable. We started with a visit to an oil extraction unit, where the students had the opportunity to touch and feel peanuts, sesame seeds, and coconuts. They learned about the incredible benefits of these oils, such as boosting immunity, preventing cancer, and enhancing skin health. Additionally, they discovered the unique property of gingerly oil in preserving food. The tour included a fascinating demonstration of the oil extraction process, making it a truly immersive experience. Next, we headed to a brinjal farm, where the students sang a lively brinjal song and explored different types of brinjal plants, noting their vibrant colors and varied textures. This hands-on experience provided valuable insights into agriculture and nutrition. Special thanks to Mr. Srinivasan from Santham Oil and Farmer Mr. Dharma for their invaluable contributions and guidance during this enriching tour. It was a day filled with learning and fun, leaving the students with a deeper appreciation for natural products and farming. A big thank you to everyone who made this day so special!

Visit to Veterinary College

On a bright and sunny day, 19th July 2024, our students from grades III-V had the incredible opportunity to visit the local veterinary college. This visit was organized as a part of their curriculum to help them understand the eating habits of animals, their adaptation, and much more. Excitement was in the air as the students boarded the bus, eager to learn and explore.

Upon arrival, the students were warmly welcomed by the lecturers who were enthusiastic about sharing their knowledge with these young minds. They explained how veterinarians help sick animals and ensure their well-being. The first stop was an animal clinic, where students got to see various pets like dogs, cats, and rabbits. Next, the group visited the farm section, where lecturers explained that cows have a special stomach with four compartments, which helps them digest tough plant material. Students were also taken around the scanning center and operation theatre to view the facilities from a distance. One of the highlights of the trip was an interactive session where students could ask questions. They returned to school with a wealth of knowledge and a newfound respect for the animals they share the world with. What an amazing day of learning and exploration!

International Mango Day Excursion A Sweet Success!

On International Mango Day, our students from grades VI-VIII enjoyed an enriching and fun-filled visit to the local mango farm in Melseval, Tirunelveli. The one-day trip was packed with activities, learning opportunities, and delicious treats that left everyone with a greater appreciation for this delightful fruit. The day began with a guided tour of the mango farm. Students walked among the lush trees, marveling at the varieties of mangoes growing all around them. They learned about the different types of mangoes, their growth cycles, and how they are harvested. A highlight of the visit was an insightful lecture by Dr. N. Murgesan, a retired professor in Agricultural Entomology. He spoke about the various insects found on mango trees and their impact on the fruit. The students were fascinated and eagerly asked many questions about mango cultivation. After the lecture, the students channeled their

creativity by drawing and painting 3D figures of mangoes. These colorful artworks were later hung around the farm, adding a festive touch to the surroundings. The day ended on a delicious note with a feast of various cuisines made from both raw and ripe mangoes. There was tangy mango salad, spicy pickles, sweet mango desserts, and refreshing mango beverages. Special thanks to Mr. Natarajan, the owner of the mango farm, for making the wonderful arrangements. The one-day trip was a perfect blend of

International Chess Day Celebration

Our school celebrated International Chess Day with a grand display of giant chess pieces placed strategically on the school grounds. The event was a remarkable sight, drawing the attention of students, teachers, and visitors alike. The highlight of the celebration was a competitive tournament featuring shortlisted teams who showcased their strategic skills and love for the game. The atmosphere was electric as the winning team navigated the oversized chessboard, making calculated moves and demonstrating impressive sportsmanship. After a series of intense matches, the winners emerged, earning their well-deserved medals and certificates. These accolades were a testament to their dedication, strategic thinking, and exceptional teamwork. We look forward to more such enriching experiences in the future.

Nature Conservation Day Rally at MPS

A Step Towards a Greener Future!

The students of Grades VI-VIII from MPS celebrated Nature Conservation Day with a vibrant and impactful rally that demonstrated their commitment to environmental stewardship. The event kicked off with an assembly in the school courtyard, where students gathered with handmade posters and banners, each displaying powerful messages about the importance of conserving nature. Slogans such as "Save our planet," "Protect wildlife," and "Reduce, reuse, recycle" were prominently featured, showcasing the students' creativity and dedication to the cause. The rally was flagged off by the esteemed Chairman of Melaseval, Mrs. Annapoorani. With great enthusiasm, the students proceeded through the main streets of Melaseval, holding banners and chanting slogans advocating for a greener, cleaner planet. This rally was more than just an event; it was a powerful movement inspiring everyone to take actionable steps toward a sustainable future. The energy and passion displayed by our young conservationists were truly inspiring. Let's follow their lead and work together to protect and preserve our beautiful planet!

MSSC Karate Competition

The recent MSSC (Zone 2) Karate contest held at MPS brought together 14 schools for an intense and exciting display of martial art prowess. The event, featuring both Kata and Kumite categories, saw 144 participants competing for top honors. Referees from the Madurai region officiated the matches, ensuring a spirit of fair play and respect. Participants showcased not only physical strength but also mental fortitude, celebrating Karate as both an art form and a sport. The camaraderie among participants, the supportive cheers from the audience, and the dedication of coaches and organizers all contributed to the event's success. Medals and trophies were awarded by the Principal of MPS, Mrs. Mary Rani, and Renshi E. Venkat, head of the Tai Iku Kai Referee team, recognizing the hard work and excellence of the top performers. The MPS Karate contest provided a platform for young martial artists to showcase their talents and fostered a sense of unity and sportsmanship among the schools. The event was a resounding success, leaving participants and spectators eagerly looking forward to the next edition.

We are excited to share the highlights from our recent class presentation event! The program began with a serene prayer song, followed by an engaging narration of the Tenali Raman story. Our LKG students charmed the audience with their energetic performance of "Walking in the Jungle," while UKG students demonstrated their communication skills through a conversation about family members. Grade 1 students spoke about different types of houses, and Grade 2 brought the tale of Little Red Riding Hood to life with a captivating enactment. Dr. Deepa, Nutritionist, Annai Velankanni Multispeciality Hospital our chief guest, spoke to the parents about the importance of nutrition and health. The coordinator detailed the academic curriculum, activities, and general instructions, and our principal addressed the parents, expressing gratitude and highlighting the school's achievements and future plans. The event was a resounding success, celebrating student talents and strengthening our school community.

Essay on
Gold earrings

Gold earrings are timeless pieces of jewelry that symbolize elegance and tradition. Crafted from precious gold, they come in various designs, from simple studs to intricate hoops and chandeliers. Their allure lies in their versatility, complementing both everyday attire and special occasions. Gold's enduring value and special radiant luster make these earrings cherished possessions, often passed down through generations. Beyond their aesthetic appeal, gold earrings also hold cultural significance in many societies, symbolizing wealth, status, and celebration. Gold earrings enhance the beauty of those who wear them.

Thank you

Essay on Thumka

Thumkas are a type of earrings that have been worn by women in the Indian subcontinent for centuries. The word Thumkas can be traced back to ancient civilizations, and were originally made to adorn deities in temples during the Chola empire around 300BC. The word 'Thumka' comes from the Hindi word 'Thumki', which means "little bells". The earrings are known for their bell-shaped design and are associated with grace, femininity and traditional Indian attire. Thumkas have a rich history and are closely intertwined with Indian culture. Thumkas hold spiritual and symbolic significance in Indian culture, representing eternal life, spiritual awareness and auspicious silence. The jingling sound they make is believed to bring positive energy, and ward off evil spirits. Thumkas come in many different shapes and styles and can be worn with a variety of outfits.

Students Corner

CBSE had announced a Storytelling Competition for the 2024-25 academic session, open to schools in the following categories:- Primary: Classes 3 to 5- Middle: Classes 6 to 8- Secondary: Classes 9 to 10- Senior Secondary: Classes 11 to 12. The first round was to be conducted at the school level, with the top performers from each category to be uploaded on the CBSE portal. From our school, the selected participants were: Eshanth M of grade V from the Primary category. Ezhilarasi of grade VIII from the Middle category. Srinidhi A of grade X from the Secondary category. Harini S of grade XI from the Senior Secondary category. All the participants delivered their stories beautifully. Storytelling enhances creativity, boosts confidence, and improves public speaking skills. Additionally, storytelling fosters critical thinking, enriches vocabulary, and helps students develop empathy by understanding diverse perspectives.
